Our Lord Jesus Christ, thanks for granting us your eternal life! Let your face shine upon the family of Pastor Rick Warren! May your mercy and love surround his family, lead them through the valley of shadow of death as they grief over the loss of Matthew. Lord Jesus, we truly believe you know this young man, you know each of his struggles. Today, we ask you to lead his soul onto your path of salvation! Lord Jesus, please empower fellow brothers and sisters in Saddleback Church to love and support their Pastor's family; in return, broken hearts shall find comfort and healing, and our love will testify to this world that you are the Lord who defeated death! In the name of our Resurrected Lord Jesus Christ we pray. Amen.
